Subject: BDCP Coordination Meeting Schedule

We had a Coordination Meeting of our federal agencies on January 14, and at that time agreed to meet every two weeks on Thursdays at 9:00 a.m. Unfortunately, critical events in the BDCP process intervened and we did not meet last week. This is to schedule our next meeting for next Thursday February 10 at 9:00 a.m. at 650 Capitol Mall, 8th floor, conference room B. Call-in number: 877.868.1020; code 655850#. I have scheduled the meeting for two hours, but I anticipate that ordinarily we should not need all that time. For the convenience of all, I have asked that a notice for this recurring meeting be sent out on the Outlook calendar.

As of now, I have identified Items for discussion:

Relations with Delta Stewardship Council (see two attachments forwarded by Karen Schwinn).
Status of BDCP EIS/EIR and USACE Permitting.
Rio Vista Facility (see two attachments).
Yolo Bypass Project – Status, Federal Lead.

Please let me know of any other issues that we should add to the agenda, and if there are people not included in the distribution list for this email.
